Bad Poem

Who wants to live forever?

Who wants to live forever?

Everyone

Everyone wants to live
forever

Until they get old

Then it's 'fuck this shit'

I'm out

Donnerbart

Hallo, I'm
Donnerbart. You can
call me Bart. But no
one does. It's either
Donnerbart or
houseleek or
Sempervivum.

I'm just like aloe. You
love aloe, right? For
burns and bites?

I live forever. But I
reproduce asexually.
Sigh. Or do I live
forever because I
reproduce asexually?

Aloe Vera [or houseleek] and Honey Mask

1 tablespoon aloe vera gel [or houseleek liquid]

1 tablespoon honey

When making beauty products with aloe vera gel [or houseleek], it is always best to use freshly extracted gel. Use raw, organic honey.

To make this aloe vera [or houseleek] and honey mask, mix both the ingredients well together.

Once you get a smooth paste, wash your face using a gentle face cleanser and warm water. Apply a thin layer of the mask; you can reapply later, as your skin starts to absorb the mask.

Leave the mask on for 20 - 30 minutes, then rinse off well. Apply your face moisturizer while your skin is still damp, to lock in the moisture.

Rant

The background of the entire page is a watercolor illustration of green leaves. The leaves are painted in various shades of green, from light lime to a darker, more saturated green, with soft, blended edges. They are scattered across the page, creating a lush, natural feel.
